Professional Experience 360°

RAMÓN A. CURBALÁN VEGA · ENGLISH EDITION

RAMÓN A. CURBALAN VEGA HUMAN · SYSTEMS · PERFORMANCE 02 / 05 01 / TRAJECTORY MAP They are not three separate races.

There are three layers of experience. Hospitality provides operational depth. Technology provides systems, digitalization and product. Sport provides direct intervention on habits, physical condition and well-being.

PROFESSIONAL BASE Restoration, service, operations and customer service.

BANQUETS & EVENTS BEO, layouts, assemblies, staffing, coordination and closures.

MANAGEMENT Operational management, teams, quality, costs and KPI.

SYSTEMS & PROJECTS Networks, databases, web, security and automation.

HUMAN PERFORMANCE training, nutrition, habits, swimming and well-being.

2025 - PRESENT FB Banquet Manager · Capvermell Gran Hotel Mallorca.

HOSPITALITY 23+ YEARS The most extensive and consolidated work history.

TECHNOLOGY REAL PROJECTS Applied experience through proprietary solutions and technical training.

SPORT PRACTICE + TRAINING Direct work with training, activities, swimming and habits.

03 / 05 HOSPITALITY F&B; + EVENTS Professional experience consolidated in service operation premium.

23+ years professional journey WHAT I HAVE MANAGED complex operations, visible service and real pressure. The experience is not summed up in “service”. Includes preparing, coordinating, execute and close operations with multiple teams, resources, times and customer expectations.

BEFORE Operational preparation BEO, layouts and schedules.

Staffing by peaks and ratios.

Purchases, inventory and household items.

Kitchen-living-event coordination.

DURING Execution and service Briefing and assignment of positions.

Minute-by-minute supervision.

Control of 5/5 GL standards.

Customer service and incidents.

AFTER Closure and improvement Consumption, incidents and closures.

Productivity and economic control.

KPI reading and satisfaction.

Debrief and improvement actions. TODAY · FB BANQUET MANAGER · CAPVERMELL GRAN HOTEL S.L.U. · CAPDEPERA, MALLORCA Direction and management of events, interdepartmental coordination, schedules, purchases and inventories, support for outlets, service supervision, quality and customer service.

Professional Experience 360°

RAMÓN A. CURBALAN VEGA HUMAN · SYSTEMS · PERFORMANCE 04/05 TECHNOLOGY · SYSTEMS · AUTOMATION Of the operation to the system. Applied experience through technical training, project development own, databases, security, automation and real deployments.

SPORT · NUTRITION · PERFORMANCE From the system to the person.

PERSONAL TRAINING Strength, physical condition, planning and tracking individual goals.

SWIMMING & LIFELIFE Experience with different ages and safety in aquatic environment.

NUTRITION & WELLBEING Training as a nutritionist technician and integrated approach to habits, sleep and recovery. Technological experience = projects + applied training Sports experience = professional practice + specialized training

RAMÓN A. CURBALAN VEGA HUMAN · SYSTEMS · PERFORMANCE 05 / 05 04 / WHAT CONNECTS THE THREE SECTORS The advantage is not in adding titles.

It is in transferring criteria. Each sector provides a different way of solving problems. Together they build a profile capable of moving between operation, digitalization and human performance.

CRITERION TRANSFERABLE E PEOPLE leadership · client · motivation SYSTEMS data · digitization · automation PERFORMANCE KPI · adherence · continuous improvement OPERATIONS planning · execution · closing WHAT I CONTRIBUTE

• Real operational vision

• Coordination capacity

• Improvement mentality

• Technology with purpose LACE AREAS

• F&B; / Banquets / Events

• Operations and coordination

• Sports management

• Digitization projects “People, processes, systems and performance: the same discipline applied in different contexts.”
